No valuations are provided for contribution of time or services, which are generally non-deductible. For inventory items, no valuation can exceed the donor's adjusted basis in the property, and for other items a deduction is generally equal to the fair market value of the property at the time of the contribution. By signing this form, donor provides permission to the SMHSF to use in its sole discretion any and all logos, trademarks, links to website(s), photographs or any other information provided to SMHSF for any advertising or promotional means, including but not limited to website, press materials and program book.
